

## Call for Papers for the ESSHC Theory and Historiography Network

The Ninth European Social Science History Conference will be held in Glasgow, Scotland, UK from April 11-14, 2012. The ESSHC aims to bring together scholars interested in explaining historical phenomena using interdisciplinary approaches to the study of the past. The conference is characterized by a lively exchange in many small groups, rather than by formal plenary sessions. It is organized in a large number of networks that cover a certain topic (e.g., criminal justice, family, social inequality). The Theory and Historiography network is interested in proposals for panels (consisting of three papers and a comment) on theoretical and historiographical topics. There is a special interest in comparative and transnational approaches. The deadline for proposals is May 1, 2011.

The Conference fee will be EUR 250 for participants who pay in advance, EUR 300 for participants who pay at the conference. One-day attendance will be EUR 100 for participants who pay in advance, and EUR 125 for participants who pay at the conference. Special (MA) student fee EUR 90.

The Ninth European Social Science History Conference is organized by the International Institute of Social History.
